Organiser:

“ This event is an outstanding gathering of key minds and players in the resources industry in a place where mining began. Broken Hill is where real business is done either at the symposium, on the golf course, or in one of the many watering holes around town. ”

**Prof. Ian Plimer,**  
Patron of the Resources  
Investment Symposium

## Reasons to attend RIS2014

**Build real relationships:** Held in the renowned mining city of Broken Hill, RIS2014 allows attendees to connect and build real relationships with the industry’s senior decision-makers, investment leaders and professional investors from across Australia and around the world.

**Powerful Agenda:** Listen and interact with key industry and government representatives while getting to know industry executives.

**Incredible Value:** Early Bird Investor Packages\* start from just \$97 incl. GST, & Broken Hill offers everything necessary for productive investor networking and decision-making.

\*Terms and Conditions apply.
